By transacting with the Related Parties, PESTECH Group would have an advantage of familiarity with the background, financial well being and management of the Related Parties, thus enabling more informed commercial decisions. The close cooperation between the PESTECH Group and the Related Parties has reaped mutual benefits and has been and is expected to continue to be beneficial to the businesses of PESTECH Group.

These RRPTs are likely to occur with some degree of frequency and may arise at any time and/or from time to time thus, the procurement of the Proposed Renewal of Existing Shareholders' Mandate on an annual basis would eliminate the need to convene separate general meetings from time to time to seek

shareholders' approval as and when potential RRPTs arise, thereby substantially reducing administrative time and expenses in convening such meetings.

The RRPTs entered or to be entered into are undertaken at an arm's length basis on normal commercial terms and on terms not more favourable to the Related Parties than those generally available to the public and are not to the detriment of the minority shareholders of the Company.

PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

1.0 DETAILS OF THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

1.1 Introduction

The Board of Directors of PESTECH had at the previous AGM held on 27 November 2019 obtained its shareholders' approval to continue the share buy-back exercise, to purchase up to 10% of the total number of issued shares of the Company as quoted on Bursa Securities as at the point of purchase. In accordance with the Listing Requirements governing the purchase of own shares by a listed company, the aforesaid approval will continue in force until the conclusion of the forthcoming AGM of the Company which will be held on Thursday, 26 November 2020.

In compliance with Paragraph 12.09 of the Listing Requirements, the Company will not purchase its own shares or hold any of its own shares as treasury shares if this result in the aggregate of the Shares purchased or held exceeding 10% of its total number of issued shares.

The Proposed Renewal of Share Buy-Back Authority, if approved, shall be effective upon the passing of the ordinary resolution at the forthcoming AGM until:-

- (a) the conclusion of the next AGM of the Company following the general meeting at which the ordinary resolution for the Proposed Share Buy-Back Authority was passed, at which time it will lapse, unless by ordinary resolution passed at that meeting, the authority is renewed, either unconditionally or subject to conditions; or
- (b) the expiration of the period within which the next AGM after that date is required by law to be held; or
- (c) revoked or varied by ordinary resolution passed by the shareholders in a general meeting of the Company,

whichever occurs first.

The actual number of PESTECH Shares to be purchased and the timing of the purchase(s) together with the treatment of the Purchased Shares would depend on, amongst others, the prevailing market conditions, the prices of the Shares, the availability of retained earnings and financial resources as well as Bursa Securities' requirement on the Company's public shareholding spread.

In accordance with Paragraph 12.17 of the Listing Requirements, the Company may only purchase its own shares at a price not more than 15% above the weighted average market price of PESTECH Shares for the five (5) market days immediately preceding the date of any purchase.

In the event that the Company decides to retain the Purchased Shares as treasury shares, the Company may only resell the treasury shares on Bursa Securities at the following prices:-

- (a) a price not less than the weighted average market price of PESTECH Shares for the five (5) market days immediately before the date of resale; or
- (b) a discounted price which is not more than 5% to the weighted average market price of PESTECH Shares for the five (5) market days immediately before the resale provided that:-
 - (i) the resale takes place not earlier than 30 days from the date of purchase; and
 - (ii) the resale price is not less than the cost of purchase of PESTECH Shares being resold.

1.2 Quantum

Based on the total number of issued shares of PESTECH of 764,293,572 as at 1 October 2020, the number of PESTECH Shares which may be purchased by the PESTECH is up to 76,429,357 PESTECH Shares representing 10% of the total number of issued shares of PESTECH pursuant to the Proposed Renewal of Share Buy-Back Authority. As at LPD, the Company had bought back 2,269,200 shares and retained as treasury shares.

Nevertheless, the actual number of Shares to be purchased by the Company pursuant to the Proposed Renewal of Share Buy-Back Authority, the total amount of funds involved for each purchase and the timing of the purchase(s) will depend on inter-alia, the market conditions and sentiments of the stock market as well as the availability of financial resources of the Company and the availability of the retained profits of the Company.

1.3 Retained Profits

In accordance with the Listing Requirements, the Proposed Renewal of Share Buy-Back Authority must be made wholly out of retained profits of PESTECH. The maximum amount of funds to be utilised for the Proposed Renewal of Share Buy-Back Authority will be limited to the amount of retained profits based on the latest audited and/or unaudited financial statements of PESTECH. As at 30 June 2020, being the latest available audited financial statements, the audited retained profits of PESTECH amounted to RM8,537,000.00.

1.4 Funding

The Proposed Renewal of Share Buy-Back Authority will be funded through internally generated funds and/or bank borrowings or a combination of both. In the event that PESTECH intends to purchase its own shares using bank borrowings, the Board shall ensure that PESTECH shall have sufficient funds to repay the bank borrowings and interest expense and that the repayment would not have any material effect on the cash flow of the Company. In addition, the Board will ensure that the Company satisfy the solvency test as stated in the Section 112(2) of the Act before execution of the Proposed Renewal of Share Buy-Back Authority.

1.5 Public shareholding spread

Pursuant to Paragraph 8.02(1) of the Listing Requirements, a listed issuer must ensure that at least 25% of its listed shares (excluding treasury shares) are in the hands of public shareholders.

As at LPD, based on the Record of Depositors of PESTECH, 305,059,180 PESTECH Shares representing 39.91% of the total number of issued shares were held by public shareholders. In implementing the Proposed Renewal of Share Buy-Back Authority, PESTECH will ensure that the minimum public shareholding spread of 25% is complied with.

1.6 Treatment of Shares purchased

Pursuant to Section 127(4) and Section 127(7) of the Act, the Board of Directors may deal with the Purchased Shares in the following manner:-

- (a) cancel the Purchased Shares; or
- (b) retain the Purchased Shares as treasury shares for distribution as dividends to the shareholders and/or to be resold on Bursa Securities in accordance with the rules of Bursa Securities and/or to be subsequently cancelled; or

(c) retain part of the Purchased Shares as treasury shares and cancel the remainder.

If such Purchased Shares are held as treasury shares, the Board may:-

- (a) distribute the Shares as share dividends to shareholders;
- (b) resell the Shares or any of the Shares in accordance with the relevant rules of Bursa Securities;
- (c) transfer the Shares, or any of the Shares for the purposes of or under an employees' share scheme;
- (d) transfer the Shares, or any of the Shares as purchase consideration;
- (e) cancel the Shares or any of the Shares; or
- (f) sell, transfer or otherwise use the Shares for such other purposes as the Minister charged with the responsibility for companies may by order prescribe.

If such Purchased Shares were held as treasury shares, the rights attaching to them in relation to voting, dividends and participation in any distribution or otherwise would be suspended and the treasury shares would not be taken into account in calculating the number or percentage of shares or a class of shares in the Company for any purpose including the determination of substantial shareholdings, take-overs, notices, the requisitioning of meetings, the quorum for meetings and the result of a vote on resolution(s) at meetings.

Where treasury shares are distributed as share dividends, the costs of the Shares on the original purchase shall be applied in the reduction of the funds otherwise available for distribution as dividends.

Where the Shares so purchased are cancelled or to cancel any treasury shares, the costs of the Shares shall be applied in the reduction of the profits otherwise available for distribution as dividends. The issued capital of the Company shall be diminished by vthe Shares so cancelled.

2.0 RATIONALE FOR THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

The Proposed Renewal of Share Buy-Back Authority, if implemented, would enable PESTECH to utilise its financial resources not immediately required for use to purchase its own shares, when appropriate, at prices which the Board views as favourable. The Proposed Renewal of Share Buy-Back Authority is to permit a stabilising factor on the supply and demand, as well as the price of PESTECH Shares.

All things being equal, the Proposed Renewal of Share Buy-Back Authority would improve the EPS of PESTECH as it would result in a lower number of the PESTECH Shares being used for the purpose of computing EPS, whether the Purchased Shares are maintained as treasury shares or cancelled. If the EPS of the Group is improved, it is expected to have a positive impact on the market price of PESTECH Shares.

The Purchased Shares may be held as treasury shares and resold on Bursa Securities at a higher price and therefore realising potential gain without affecting the total number of issued shares. Should any of the treasury shares be distributed as share dividend, this would serve to reward the shareholders of the Company. The treasury shares may also be utilised as purchase consideration by the Company in corporate transactions thereby reducing the financial outflow and/or preserve the working capital of the Company.

3.0 SHAREHOLDINGS OF DIRECTORS, SUBSTANTIAL SHAREHOLDERS AND/OR PERSONS CONNECTED TO THEM

Based on the Register of Directors' Shareholdings and Register of Substantial Shareholders as at 1 October 2020, assuming that the Proposed Renewal of Share Buy-Back Authority is implemented in full (up to 10% of the total number of issued shares) and that the Purchased Shares are from shareholders other than the substantial shareholders and Directors, the effect of the Proposed Renewal of Share Buy-Back Authority on the direct and indirect interests of the Directors and substantial shareholders and any Person Connected with the Directors and/or substantial shareholders in the proposed purchase of Shares or resale of treasury shares are set out below:-

Save for the resulting increase in percentage of shareholdings as a consequence of the Proposed Renewal of Share Buy-Back Authority, none of the Directors, Substantial Shareholders and/or persons connected to them has any interest, direct or indirect, in the Proposed Renewal of Share Buy-Back Authority or the resale of treasury shares, if any.

4.0 IMPLICATIONS RELATING TO THE RULES

Pursuant to the Rules, a person or a group of persons acting in concert will be required to make a mandatory general offer if his/their stake(s) in the Company is/are increased to beyond 33% of the voting shares or if his/their existing shareholding(s) is/are more than 33% but less than 50% and it exceeds by another 2% in any period of six (6) months.

In the event that the share buy-back results in the shareholdings of any of the above parties being affected, the said person or group of persons acting in concert will be obliged to make a mandatory general offer for the remaining PESTECH Shares not held by him/them. However, an exemption from a mandatory offer obligation may be granted by the SC under the Rules, subject to the affected person and the parties acting in concert complying with certain conditions, if the obligation is triggered as a result of action outside their direct participation.

As it is not intended for the share buy-back to trigger the obligation to undertake a mandatory general offer by any of its substantial shareholders and/or parties acting in concert with them, the Company is mindful that only such number of Shares are purchased, retained as treasury shares, cancelled or distributed such that the Rules will not be triggered. However, in the event that an obligation to undertake a mandatory offer should arise with respect to any parties from the share buy-back exercise, the relevant parties shall make necessary application to SC for an exemption from undertaking a mandatory offer under the Rules before a mandatory offer is triggered.

5.0 PURCHASE OF SHARES, RESALE OR CANCELLATION OF TREASURY SHARES MADE IN THE PREVIOUS 12 MONTHS

As as LPD, the Company had bought back 2,269,200 shares and retained as treasury shares. The Company had not cancelled and/or resold any PESTECH Shares or treasury shares in the previous twelve (12) months preceding the date of this Statement.

6.0 POTENTIAL ADVANTAGES AND DISADVANTAGES OF THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

The potential advantages of the Proposed Renewal of Share Buy-Back Authority to the Company and its shareholders are as follows:-

- (a) allows the Company flexibility in achieving the desired capital structure, in terms of debt and equity composition and size of equity;
- (b) allows the Company to take preventive measures against speculations particularly if its Shares are under valued which would in turn, stabilise the market price of PESTECH Shares and hence, enhance investors' confidence;
- (c) the Company may have the opportunity for potential gains if the Purchased Shares which are retained as treasury shares are resold at prices higher than their purchase price and consequently increase the working capital and net assets of the Company; and
- (d) in the event the treasury shares are distributed as share dividends by the Company, it may then serve to reward the shareholders of the Company.

The potential disadvantages of the Proposed Renewal of Share Buy-Back Authority to the Company and its shareholders are as follows:-

- (a) as the Proposed Renewal of Share Buy-Back Authority could only be made out of retained profits of the Company, it may result in the reduction of financial resources available for distribution to shareholders in the immediate future; and
- (b) the Proposed Renewal of Share Buy-Back Authority would reduce the financial resources of PESTECH Group and may result in the PESTECH Group foregoing better investment opportunities that may emerge in the future.

Nevertheless, the Proposed Renewal of Share Buy-Back Authority is not expected to have any potential material disadvantages to the Company and its shareholders, as any share buy-back will be undertaken

only after in-depth consideration of the financial resources of PESTECH and the resultant impact on its shareholders. The Board, in exercising any decision in implementing the Proposed Renewal of Share Buy-Back Authority will be mindful of the interests of the Company and its shareholders.

7.0 RISK FACTORS OF THE PROPOSED RENEWAL OF SHARE BUY-BACK AUTHORITY

The Board is not aware of any risk factors relating to the Proposed Renewal of Share Buy-Back Authority which could have a material adverse effect on the business or financial position of PESTECH Group.

8.0 HISTORICAL SHARE PRICES

The monthly highest and lowest prices of PESTECH Shares as traded on Bursa Securities for the past twelve (12) months from October 2019 to September 2020 are as follows:-

<u>Year 2019/2020</u>	<u>High</u> <u>RM</u>	<u>Low</u> <u>RM</u>

9.0 FINANCIAL EFFECTS OF THE PROPOSED RENEWAL SHARE BUY-BACK AUTHORITY

9.1 Share Capital

The effects of the Proposed Renewal of Share Buy-Back Authority are dependent on whether the Purchased Shares are cancelled or alternatively retained as treasury shares.

Based on the assumption that the maximum number of PESTECH Shares authorised under the Proposed Renewal of Share Buy-Back Authority are purchased and cancelled, the effects on the on the total number of issued shares of PESTECH would be as follows:-

	No. of PESTECH Shares
Existing total issued shares as at 1 October 2020	764,293,572
Less : Maximum number of PESTECH Shares that may be purchased	76,429,357

Total number of issued shares after the Proposed Renewal of Share Buy-Back Authority	687,864,215
--	-------------

The Proposed Renewal of Share Buy-Back Authority will result in the reduction of the Company's total number of issued shares if the PESTECH Shares so purchased are cancelled.

However, the Proposed Renewal of Share Buy-Back Authority would have no effect on the total number of issued shares of PESTECH if all Purchased Shares are retained as treasury shares, resold or distributed as share dividends to shareholders but the rights attached to the treasury shares in relation to voting, dividends and participation in any other distributions or otherwise are suspended.

9.2 Net Assets per Share

The effect of the Proposed Renewal of Share Buy-Back Authority on the net assets per share of PESTECH would depend on the purchase prices of PESTECH Shares at the time of buy back or any loss in interest income to the Company, and whether the Purchased Shares are cancelled or retained as treasury shares.

If all the Purchased Shares were cancelled or kept as treasury shares, the Proposed Renewal of Share Buy-Back Authority would reduce the net assets per share of PESTECH when the purchase price exceeds the audited net assets per share, and will increase the net assets per share of PESTECH if the purchase price is less than the audited net assets per share at the time of purchase.

If the treasury shares are resold on Bursa Securities, the net assets per share of PESTECH would increase if the Company realises a gain from the resale and would reduce the net assets per share of PESTECH if the Company makes a loss from the resale. If the treasury shares are distributed as share dividends, the net assets per share of PESTECH would decrease by the cost of the treasury shares.

9.3 Working Capital

The Proposed Renewal of Share Buy-Back Authority is likely to reduce the working capital of PESTECH, the quantum of which depends on the purchase prices and the quantity of Purchased Shares.

For Purchased Shares which are kept as treasury shares, upon its resale, the working capital of the Company would increase assuming that a gain has been realised. Again, the quantum of the increase in the working capital would depend on the actual selling price of the treasury shares and the number of treasury shares resold.

9.4 EPS

The effect of the Proposed Renewal of Share Buy-Back Authority on the EPS of PESTECH would depend on the purchase prices of PESTECH Shares or any loss in interest income to PESTECH Group.

If the Purchased Shares are held as treasury shares and later resold, the extent of the impact to the EPS would depend on the actual selling price, the number of treasury shares resold, the effective funding cost (if applicable), the gain or loss on the disposal and the manner in which the proceeds arising from the resale are utilised.

If the Purchased Shares are cancelled, the Proposed Renewal of Share Buy-Back Authority would increase the EPS of PESTECH Group provided that the income foregone on the Purchased Shares is less than the EPS before the share buy-back.

10.0 APPROVALS REQUIRED

The Proposed Renewal of Share Buy-Back Authority is subject to the approval of the shareholders of PESTECH at the forthcoming AGM to be convened or at any adjournment thereof.

11.0 DIRECTORS' RECOMMENDATION

The Board, having considered all aspects of the Proposed Renewal of Share Buy-Back Authority, is of the opinion that the above is in the best interests of the Company and therefore recommends that you vote in favour of the resolution pertaining to the Proposed Renewal of Share Buy-Back Authority to be tabled at the forthcoming AGM of PESTECH.

12.0 AGM

The AGM shall be held on a fully virtual basis via remote participation through live stream and online voting ("**eLive and eVoting**"). Please refer to the Administrative Guide issued to all shareholders of PIB on the conduct of a fully virtual AGM.

If you are unable to participate and vote at the AGM via eLive and eVoting, you may complete, sign and return the Form of Proxy attached to the 2020 Annual Report and deposit it at the Share Registrar's office of the Company at Level 7, Menara Milenium, Jalan Damanlela, Pusat Bandar Damansara, Damansara Heights, 50490, Kuala Lumpur, Wilayah Persekutuan or submit it via fax at 03-2094 9940 and/or 03-2095 0292 or e-mail to info@sshhsb.com.my, no later than forty-eight (48) hours before the time of holding the AGM.
